Dear Mr. Creeley,

Thank you for your letter dated November 20, 2008, with regard to the *Harassment, Coercion, and Discrimination* policy governing student conduct at the University of the Pacific.

Your letter comes at that time of the year when we are reviewing student policies for any needed updating or revision for the next academic year. As the University officer responsible for overseeing the student code of conduct and associated policies, I will include in our forthcoming assessment a review of the various comments you offer. Thank you for taking the time to write.

You are welcome to contact me within the first several months of the new year if you wish to have any further dialogue on this subject.

Best regards,

Elizabeth Griego, PhD
