

NOTICE - COMPLAINT OF MISCONDUCT

TO: Donald Charles Ganiere
FROM: Dr. Lior Burko, Assistant Professor, Physics, Optics Building Office 201, burkol@uah.edu,
256-824-2934.
SUBJECT: Case 2007/2008-19
DATE: November 12, 2007

I am sending this memorandum to provide you notice that a complaint has been filed against you under the University Code of Student Conduct. Information about the complaint is as follows:

| | |
|---------------------|---|
| Complaining Party: | Mr. Don Halverstadt |
| Misconduct Charged: | Article III, Section C. #29. Injurious Conduct, Article III, Section C. #31. Assisting Misconduct, Article III, Section C. #2. False Information and Article III, Section C. #14. Disruption of University Activity. |

As Preliminary Action Officer in this case, it is my responsibility to seek to mediate the charges and settle them by voluntary agreement, if possible. If that does not succeed, I am to conduct a preliminary investigation and determine whether or not referral of this case to the University Judicial Board is appropriate. I would like to meet with you alone to allow you the opportunity to respond to the charges and to state your recollection or understanding of the relevant facts.

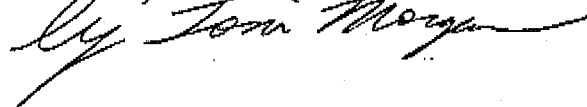

If you wish to meet with me, please call me at the number given above to schedule the meeting. If I do not hear from you within five (5) days after your receipt of this memorandum, I will assume (under the Code, Article V-C-4) that you do not desire such an opportunity.

If you have any questions about the procedure used for disciplinary cases such as this, you should refer to Chapter 7 of the UAH Student Handbook, "Standards of Student Conduct." You may also call Ms. Toni Morgan, Judicial Affairs Officer at 256-824-6700.
