Dear Mr. Barnes:

As a result of recent activities directed towards me by you, included but not limited to the attached threatening document, you are considered to present a clear and present danger to this campus. Therefore, pursuant to Board of Regents' policy 1902, you are hereby notified that you have been administratively withdrawn from Valdosta State University effective May 7, 2007.

Provided that you satisfy any and all necessary academic requirements at that time of application, your readmission to this University and continued enrollment at this institution is conditioned upon your submitting the following:

- 1. A correspondence from a non-university appointed psychiatrist indicating that you are not a danger to yourself and others.**
- 2. Documentation from a certified mental health professional indicating that during your tenure at Valdosta State you will be receiving on-going therapy.**

Generally, decisions of the University may be appealed to my office. However, because this matter directly concerns me, should you elect to appeal my decision, you should submit your written appeal within twenty (20) days of receipt of this letter to the Board of Regents at the following address:
