

Free Speech Areas

Secondary Area (West Campus)

This area is the circle of brick set into the concrete just south of the Performing Arts Center

Primary Area (Central Campus)

The primary Free Speech Area is the circular area immediately surrounding the fountain between the Library and the Liberal Arts/Business Building. It is defined by the pour lines in the surface. It does not extend into the four straight walks that emanate from the fountain

Secondary Area (East Campus)

This is the concrete area on three sides of the raised tree well at the east end of the Mathematics building. It is defined by the pour lines in the concrete.
