must be a representative of the administration, one of whom must be a faculty member, and one of whom must be a student, is necessary for all committee hearings.

6. If the committee interviews both the student and the teacher (or other principals involved) at a hearing, then the Chairman will send the results of the committee's findings in the form of a letter of recommendation to the President of the University, with copies to the student and other principals involved and to the Provost.

7. If, in accordance with faculty rights as specified in the Faculty Handbook and in the Constitution and Bylaws of the University Senate and the various divisions, the teacher believes that his or her academic freedom or academic responsibilities have been affected by the dean's ruling, the teacher may appeal to the appropriate committee of peers at the divisional level (ordinarily the faculty grievance committee of the college or division). The teacher's appeal must be made within ten days of the action provoking the appeal. If the teacher is dissatisfied with the committee of peer's decision regarding his or her academic freedom or responsibilities, the teacher may appeal to the Senate Committee on Faculty Tenure, Freedom, and Responsibility. That appeal also must made within ten days of the action provoking it. No grade may be changed until the teacher's appeal process has been completed.

8. If the student is dissatisfied with any decision made in the appellate process described in item 7, the student may appeal to the Senate Committee on Academic Freedom and Responsibility of Students. All procedures described in items 5 and 6 above apply to the student's appeal in this instance.

9. In cases of conflict regarding the decisions of the divisional peer committee and the Senate Committee on Academic Freedom and Responsibility of Students, the matter shall be referred to the Senate Committee on Faculty Tenure, Freedom, and Responsibility. In cases of conflict regarding the decisions of the Senate Committee on Faculty Tenure, Freedom, and Responsibility and either of the other committees stemming from the deliberations described in item 7 above or this item, the committees at odds shall meet jointly to discuss the issue. The ultimate findings of the two committees shall be forwarded to the President of the University within 10 days.

**TULANE UNIVERSITY HARASSMENT POLICY**

I. **Statement of Philosophy**

Tulane University is committed to creating and maintaining a campus environment where all individuals are treated with respect and dignity and where all are free to participate in a lively exchange of ideas. Each student has the right to learn and each employee has the right to work in an environment free of sexual and other forms of harassment and one in which ideas may be freely expressed.

At Tulane University, harassment, whether verbal, physical, written, or visual, is unacceptable and will not be tolerated. Harassment is unlawful and hurts all members of the educational community. Each incident of sexual harassment contributes to a general atmosphere in which other members of the victim's sex suffer the consequences and in which all students and employees may feel that their safety and equality are compromised. Other forms of harassment have a similarly negative effect on members of the community. Harassment has no legitimate educational purpose. Any employee or student, male or female, who engages in conduct prohibited by this policy shall be disciplined as provided by law, University policies, and applicable employment agreements.

Tulane will not tolerate any harassment of anyone affiliated with the University (including non-employees, such as vendors and independent consultants), and will not tolerate adverse academic or employment actions, including but not limited to termination of anyone reporting harassment or providing information related to such a complaint.

II. **Principles**

Tulane University recognizes the tension between protecting all members of the University community from harassment and protecting academic freedom and freedom of expression. It is the policy of the institution that no member of the community may harass another. Conduct that reasonably serves a legitimate educational purpose, including pedagogical techniques, does not constitute harassment. In the educational setting within the University, wide latitude for professional judgment in determining the appropriate content and presentation of academic material is required. Those participating in the educational setting bear a
responsibility to balance their rights of free expression with a consideration of the reasonable sensitivities of other participants. Therefore, this policy against harassment shall be applied in a manner that protects academic freedom and freedom of expression within the University. Academic freedom and freedom of expression include but are not limited to the expression of ideas, however, controversial, in the classroom setting, academic environment, University-recognized activities, or on the campus.

Nothing contained in this policy shall be construed to limit the legitimate exercise of free speech, including but not limited to written, graphic or verbal expression that can reasonably be demonstrated to serve legitimate educational or artistic purposes, nor shall this policy be construed to infringe upon the academic or artistic freedom of any member of the University. Artistic expression in the classroom, studio, gallery and theater merits the same protection of academic freedom that is accorded to other scholarly and teaching activities.

III. Policy Coverage
All faculty, administrators, staff, students, and individuals affiliated with Tulane University by contract (including non-employees, such as vendors and independent contractors) are bound by this policy. This policy protects men and women equally from harassment, including same-sex harassment, and protects students from harassment by other students.

IV. Sexual Harassment
A. DEFINITION OF SEXUAL HARASSMENT
Sexual harassment is unwelcome behavior of a sexual nature by faculty, administrators, staff, students, and individuals affiliated with the University by contract (including non-employees, such as vendors and independent contractors) or by anyone with whom one interacts in order to pursue educational or employment activities at the University. For the purposes of this policy, sexual harassment is defined as unwelcome advances, request for special favors, and any other verbal, written, physical or other conduct of a sexual nature when:

1. Submission to such conduct by an individual is implicitly or explicitly made a condition of an individual's employment or educational status or participation in University programs or activities;
2. Submission to or rejection of such conduct by an individual is used as a factor in decisions affecting that individual's ability to learn or participate in school activities, or in hiring, evaluation, retention, promotion, or any other aspect of employment; or
3. Such conduct would be objectively regarded by a reasonable person as substantially interfering with an individual's ability to learn or work or participate in University programs or activities by creating an intimidating, hostile, or offensive school or work environment even if the person engaging in the conduct does not intend to interfere, intimidate, or be hostile or offensive.

For purposes of this subparagraph 3, the conduct must be sufficiently severe, persistent, or pervasive that it creates a hostile or abusive educational or working environment. For a one-time incident to rise to the level of harassment, it must be severe.

B. EXAMPLES OF SEXUAL HARASSMENT
Sexual harassment may include, but is not limited to, the following:

1. Physical assaults of a sexual nature, such as rape, sexual battery, molestation, or attempts to commit these assaults; and intentional physical conduct that is sexual in nature such as touching, pinching, patting, grabbing, poking, or brushing against another individual's body.
2. Offering or implying an employment-related reward (such as promotion, raise, or different work assignment) or an education-related reward (such as a better grade, a letter of recommendation, favorable treatment in the classroom, assistance in obtaining employment, grants or fellowships, or admission to any educational program or activity) in exchange for sexual favors or submission to sexual conduct.
3. Threatening or taking a negative employment action (such as termination, demotion, denial of an employee benefit or privilege, or change in working conditions) or negative educational action (such as giving an unfair grade, withholding a letter of recommendation, or withholding assistance with any educational activity) in exchange for sexual favors or submission to sexual conduct.
4. Unwelcome sexual advances, requests for a romantic or sexual relationship to an individual who indicates or has indicated in any way that such conduct is unwelcome, propositions, or other sexual comments, such as sexually-oriented gestures, noises, remarks, jokes, questions, or comments about a person's sexuality or sexual experience directed at or made in the presence of any individual.
V. Other Forms of Harassment

Harassment, other than sexual harassment, is verbal, physical, written, or other conduct that denigrates or shows hostility or aversion to an individual on the basis of gender, race, color, religion, age, national origin, ethnicity, disability, veterans status, sexual orientation, marital status, or any basis prohibited by law when from the objective standpoint of a reasonable person such conduct substantially interferes with an individual’s work or school performance, creating an intimidating, hostile or offensive working or learning environment even if the person engaging in the conduct does not intend to interfere, intimidate, or be hostile or offensive. Harassment based on any of the characteristics listed above is strictly prohibited by this policy. The conduct must be sufficiently severe, persistent, or pervasive that it creates a hostile or abusive educational or working environment. A one-time incident may rise to the level of harassment. However, such conduct must be severe.

Complaints of harassment will be investigated and resolved in accordance with the terms of this policy.

VI. Retaliation

No member of the University community will be disciplined for refusing sexual advances, objecting to sexual, racial, or other forms of harassment, or making a good faith report of harassment.

Retaliatory or intimidating conduct against any individual who has made a good faith harassment complaint or who has testified or assisted in any manner in an investigation is specifically prohibited and shall provide grounds for a separate complaint. Examples of such retaliatory or intimidating conduct include disciplining, changing working or educational conditions, providing inaccurate information to or about, or refusing to cooperate or discuss work- or school-related matters with any individual because that individual has complained about or resisted sexual harassment. The initiation of a good faith complaint of harassment by a student will not reflect negatively on that student nor will it affect the student’s academic standing, rights, or privileges. Likewise, the initiation of a good faith complaint by an employee will not reflect negatively on that employee nor will it affect the employee's working conditions, rights, or privileges.

VII. Confidentiality

Confidentiality will be maintained throughout the entire investigatory process to the extent practicable and appropriate under the circumstances to protect the privacy of persons involved. The persons charged with investigating the complaint must discuss the complaint or the underlying behavior only with persons involved in the case who have a need to know the information, which must include the complainant and the accused harasser.

The University is required by law to investigate any complaint of harassment and will strive to protect, to the greatest extent possible, the confidentiality of persons reporting or accused of harassment. However, the University cannot guarantee complete confidentiality where it would conflict with the University's obligation to investigate. Individuals who desire to discuss possible claims of harassment in a more confidential setting to clarify whether to proceed with a complaint may want to consult with a counselor, therapist or member of the clergy, who is permitted by law to assure greater confidentiality.

VIII. Complaint Procedures

All are encouraged to promptly report harassment so that any appropriate action can be taken. The complaint procedures are designed to ensure the rights of the complainant while at the same time according due process to both parties.

A. Form of Complaint. Complaints of harassment will be accepted orally or in writing. Anonymous complaints will be accepted and investigated to the extent possible. Complaint forms are available in several locations, including the Office of Institutional Equity, the Office of the Vice President for Student Affairs, and on the Office of Institutional Equity's website at www.institutionalequity.tulane.edu. B. INFORMAL PROCESS. The University has an informal process to provide those who believe they are being harassed with a range of options designed to bring about a resolution of their concerns.

   Depending on the nature and severity of the complaint and the wishes of the person(s) claiming harassment, informal resolution may involve one or more of the following or other appropriate actions:

1. Advising the person(s) about how to communicate the unwelcome nature of the behavior to the alleged harasser;

2. Distributing a copy of the sexual harassment policy as a reminder to the department or area with which the alleged harasser is affiliated;

3. If both parties agree, arranging and facilitating a meeting between the person(s) claiming harassment and those accused of harassment to work out a mutual resolution.

In the case of a complaint against a faculty member, the grievance committee of his or her school within the University shall be the committee to investigate harassment complaints.
